

Skilled Nursing Facilities or Long-Term Care Facilities are commonly known as nursing homes. A wide variety of services can be provided from rehabilitative care to end-of-life care. Rehabilitative care may be covered by Medicare following a hospital stay. Medicaid will cover either rehabilitative or long-term care for financially qualifying individuals. Ratings for facilities are available at www.skillednursingfacilities.org/directory.

Questions to consider:

- *What are the base costs? Any add-on costs?
- *Is the facility Medicare/Medicaid certified?
- *What types of care are available?
- *Are safety and emergency procedures adequate?
- *Are meals tasty/well balanced? Special diets?
- *Is the facility clean and odor free?
- *Is resident privacy maintained?
- *What are the staff qualifications?
